FILM: THE GREAT ESCAPER

Thursday 11th April at 11.00am & 7.30pm

In 2014, Bernard Jordan (Michael Caine) made global headlines. He staged a "great escape" from his care home to join fellow war veterans in Normandy, commemorating their fallen comrades at the D-Day Landings 70th anniversary. It was a story that captured the imagination of the world as Bernie embodied the defiant, "can-do" spirit of a generation that was fast disappearing.

Bernie's adventure also marked the culmination of his 60-year marriage to Rene (Glenda Jackson) – The Great Escaper celebrates their enduring love but always with an eye to the lessons we might learn from the Greatest Generation.

FILM: WITHNAIL & I

Friday 21st June at 7.30pm

15

London. The 1960s. Two unemployed actors—acerbic, elegantly wasted Withnail (Richard E. Grant) and the anxiety-ridden "I" (Paul McGann) — drown their frustrations in booze, pills, and lighter fluid. When Withnail's Uncle Monty (Richard Griffiths) offers his cottage, they escape the squalor of their flat for a week in the country. They soon realize they've gone on holiday by mistake when their wits — and friendship — are sorely tested by violent downpours, less than hospitable locals, and empty cupboards. An intelligent, superbly acted, and hilarious film, Bruce Robinson's semi-autobiographical cult favourite is presented here in its complete and uncut version.
