FILM: THE DAM BUSTERS

Sunday 14th June at 2.30pm & 7.30pm

Based on a true story, Michael Anderson's 1954 drama captures the tension and bravery of an audacious raid on the centre of Nazi Germany's industrial complex, and the quintessentially English combination of inventiveness and dogged determination. Split into two distinct sections, the film deals first with the fraught, but ultimately successful development of a new "bouncing bomb" by Dr. Barnes N. Wallis. The second and pacier section deals with the mission itself during the British raid on the Ruhr Dams, and its associated costs for the enemy and for the British airmen.

NT LIVE: LES LIAISONS DANGEREUSES

Thursday 23rd July at 2.00pm & 7.00pm

Cert
TBC

BAFTA Award-winner Lesley Manville (Phantom Thread) joins Aidan Turner (Rivals) in a striking new staging of Christopher Hampton's celebrated adaptation of the classic novel, where among the glittering salons of the super-rich, one misstep can mean ruin.

Marquise de Merteuil is a master in the art of survival. Alongside the magnetic Vicomte de Valmont, they turn seduction into strategy and weaponise desire. But when their alliance collapses into rivalry, the battle between them threatens to destroy everyone in their path.

Filmed live on stage at the National Theatre, Marianne Elliott (Angels in America) directs this thrilling game of love, lies, and social warfare.

Kindly Note: The 2.00pm screening will include subtitles
